May 2008

The **April meeting** was rather different with many varied activities, games and craft all happening at once. It was a busy night. Many made a Crossroads SONG BOOK with our favourite songs, some played a floor game of Snakes and Ladders or Twister, others played BEETLE or card games, some tried candle making, or tackled puzzles. **Thanks** to those from **St Michael's** who came along to make the night a success. Crossroads says THANK YOU to Sister Margaret & Francene, and to musicians Mark and Sarah and to all helpers.
