

TAG TIME

Jesus promises we can go to heaven if we put our trust in him. He is an amazing "man". He wants to show us that he is real and keeps his promises. We get to know him by reading God's word, the Bible. Jesus can wipe away (forgive) all the "bad" things we do - like being mean to others, getting angry and doing things that are not "cool".

News With Emily

Melissa is going to America at the end of September
